

Application for Ruter card

You can use this form to apply for a travel card from Ruter. Pupils in primary school are entitled to a free travel card if:

- The student has a long school route (at least 2 km for students in the 1st grade and at least 4 km for students from the 2nd grade to the 10th grade)
- The pupil has a particularly dangerous or difficult school route (regardless of the distance to the school)

Why do you want to apply for the Ruter card?

- Long school route
- Dangerous or difficult school route

In which class is the pupil?

Which school does the pupil go?

What is the name of the pupil? Write the full name (name, middle name and surname?)

How do you want to identify the pupil

- Norwegian ID number (fødselsnummer)
- D-nummer

What is the Norwegian ID number of the pupil? Write 11 digits without any blank and full stop.

or

What is the D number of the pupil? Write the digits without any blank and full stop.

From which address will the pupil travel?

If the pupil travels from multiple addresses, you must put here the longest one
